The direction

A bit of La Griyotire' story

Mrs & Mr Apertet

In January 1995, Mrs. and Mr. Apertet bought the building, fully renovated it.

From this date, rooms on the first and second floor got water, electricity, heating...

From that, the 3* hotel La Griyotire opened in 1996.

The Apertet family lived in the actual Family Suite and Superior room (room 14 + room 15)

The restaurant was only open in half board.

In 1997, they created the bar, the fireplace and the lounge area were already there.

In 1998, they enlarged the two family rooms number 2 and 8, which were previously rented as single rooms, they have added the children's rooms.

Then, they have decided to work on the rooms located on the 3rd floor, street side, the actual room 16 and room 17 who were previously a large dormitory. They are now 2 Mezzanine rooms.

Then, the balcony on room 1 and 7 were created.

A year later, they have opened the wellness area including a sauna and hammam.

Between 1999 and 2000, they have created the outside swimming pool in the shape of heart as well as the mazot...

Mrs & Mr Bontaz

In 2006, Mrs. & Mr. Bontaz Christophe bought the hotel La Griyotire.

Between 2006 and 2012, Mrs. Bontaz decorates and renovates 2 to 3 rooms per year. She is passionate about cross-stitch, she decorates the hotel with all her personal creations.

They start renovated every year the hotel (carpets, TV, Wifi, ski rack with shoe dryer, velux in room 14 and room 15...)

They enlarged the hotel car park who was previously where the residence is now.

In 2012, they built the 4* residence "La Griyotire" including 5 apartments. 2 of them are located on the ground floor and equipped with a disabled access. The ski and bike room were transferred there.

In 2014, the owners who bought Mr. Favray's farm in 2011 renovate the farm into a chalet and develop the 4* chalet "La Griotte". The chalet is built on 3 levels with a 120 m² SPA, indoor pool, sauna/sanarium and a treatment room with free and common access to all of our guests. On the ground floor there is also a 55 m² seminar room that can accommodate up to 18 people. This room can be also rented as a flat and equipped with a disabled access.

In 2017, the 3* hotel "La Griyotire" gains one more star to be classified on the 4* hotels.

Since then, the management has chosen to change from 4* to 3* hotel as it was originally, more in line with our guests and the ski resort.

In 2022, the direction has decided to open only in bed and breakfast.
